OFFICE OF COMMERCIAL SPACE TRANSPORTATION

LICENSE ORDER REGARDING OPERATION OF A LAUNCH AND REENTRY SITE

AUTHORIZED BY LICENSE NO. LRSO 18-018

ISSUED TO

SPACE FLORIDA

---

1. Authority: This Order is issued to Space Florida, under 51 U.S.C. Subtitle V, chapter 509, and 14 C.F.R. Ch. III.

2. Purpose: This Order modifies License No. LRSO 18-018, originally issued as LSO 18-018, on November 8, 2018, by the Federal Aviation Administration's Office of Commercial Space Transportation (FAA/AST), authorizing Space Florida to operate the Cape Canaveral Spaceport as a launch and reentry site at the Shuttle Landing Facility (SLF) on the Kennedy Space Center and prescribes, as conditions to License No. LRSO 18-018, certain additional requirements applicable to the authorization.

3. Authorization: Space Florida is authorized to operate Cape Canaveral Spaceport as a launch and reentry site at the SLF:

   (a) for FAA-licensed or permitted launches and reentries (see note below); and

   (b) as required by 14 C.F.R. § 420.51, in accordance with the representations in Space Florida's license application, any subsequent amendments approved by the FAA as of the date of this Order, and any modifications to the license issued by the FAA under 14 C.F.R. § 420.47.

4. USCG Agreement: No less than 60 days in advance of any licensed reentry operation, Space Florida must provide the FAA with a completed agreement with the U.S. Coast Guard that satisfies § 420.31 for reentry operations.

5. License Term: The term of License No. LRSO 18-018 authorizing Space Florida to operate a launch and reentry site at the SLF is five (5) years from January 15, 2021, the effective date of its license.

Safety Authorization Division

Original: November 08, 2018
Issued: January 15, 2021
Effective: January 15, 2021

Note: License No. LRSO 18-018 authorizes Space Florida to operate a launch and reentry site; it does not authorize FAA-licensed or permitted launch or reentries, which require separate authorizations from the FAA.

Revision History:

Original License No. LSO 18-018 - Issued November 8, 2018

Revision 1 - Issued January 15, 2021

1) Redesignated LSO 18-018 to LRSO 18-018.
2) Under Purpose: Replaced "…authorizing Space Florida to operate the Cape Canaveral Spaceport as a launch site at the Shuttle Landing Facility…" with "…authorizing Space Florida to operate the Cape Canaveral Spaceport as a launch and reentry site at the Shuttle Landing Facility."
3) Under Authorization: Replaced referenced authorizations of a "launch site" with "launch and reentry site."
4) Added "No less than 60 days in advance of any licensed reentry operation, Space Florida must provide the FAA with a completed agreement with the U.S. Coast Guard that satisfies § 420.31 for reentry operations."
5) Under License Term: Replaced "The term of License No. LSO 18-018 authorizing Space Florida to operate a launch site at the SLF is five (5) years from November 8, 2018, the effective date of its license." with "The term of License No. LRSO 18-018 authorizing Space Florida to operate a launch and reentry site at the SLF is five (5) years from January 15, 2021, the effective date of its license."
