Subject O'Hare Expansion

Mr. Michael W. MacMullen

Our company owns four industrial properties surrounding O'Hare. I have a future airport layout plan which was issued in October 2003. I do not know if this 2003 plan is still valid. Does your agency have such a plan which shows what Chicago will be purchasing or which properties will not be included in the expansion plan? Or do you have any idea where I may obtain such a layout? 1

Thank you,

James Paganis
