I LIVE APPOX 5MI FROM RUNWAY THAT RUNS N.E. TO S.W. AND THE NOISE FROM PLANS WHEN GOING OVER MY HOME IS DEAFENING-LY. AT TIMES MY WINDOWS VIBRATE, AND THE HOUSE RUMBLES FROM THE NOISE. MY HOME IS A BRICK AND BUILD IN 1960 SO IT IS A SOLID HOME. THERE ALSO AT TIMES YOU CAN SMELL THE JET FUEL FROM THESE PLANES.

I'M WONDERING IF THERE WAS A STUDY OF HEALTH, SLEEPING PROBLEMS OF AREAS AROUND THE AIRPORT BECAUSE OF THE NOISE.
