RESPONSE TO THE OHARE MODERNIZATION ENVIRONMENTAL IMPACT STATEMENT.

I AM A RESIDENT OF A HOME IN BENSENVILLE, SINCE 1974.

ALL THIS COMMOTION THAT IS BEING THRASHED OUT BETWEEN THE SURROUNDING SUBURBS OF THE AIRPORT IS A WASTE OF MONEY + TIME CONCERNING THE EXPANSION IDEA THAT MAYOR DALEY HAS ORCHESTRATED.

1

THE NOISE OF AIRCRAFT FLYING OVE MY HOME DOES NOT UPSET ME AS MUCH AS THE QUALITY OF AIR THAT THE PUBLIC IS BREATHING. EACH PLANE ARRIVING OR DEPARTING ALONG WITH THOSE THAT ARE AIR BORN ARE SPEWING OUT EXHAUST AT AN ALARMING RATE.

THE PROOF OF THIS: MY AUTO WHEN PARKED IN MY DRIVEWAY OVER NITE ACCUMULATES A BLACK FILM THAT IS A RESIDUE OF THEIR EXHAUSTES.

WE HAVE EMISSION TESTS FOR AUTOS TO HELP CLEAN THE ENVIREMEN BUT THER ISN'T ONE THING THATS BEEN DONE TO CLEAN OR STOP THE FLOW OF POISON THAT IS BEING DROPPED FROM THE SKY, AND THE IDEA OF EXPANSION, ADDING MORE AIRCRAFT TO THE EXHISTING AIRPORT WILL NO DOUB

PUT AN ENORMOUS AMOUNT OF POLLUTI
INTO THE ATMOSPHERE.

ALL I'VE HEARD FOR THE LAST FEW YEARS SINCE THE EXPANSION IDEA WA MENTIONED — MORE NOISE - TRAFFIC CONGESTION - AND ALL OTHE REASONS FOR A STOP TO EXPAND. NOT ONE IOTA OF CLEAN AIR.

I HOPE THIS LETTER WILL OPEN THE EYES OF THOSE WHO HAVE BEEN LED TO BELIEVE THAT THE PROPOSED EXPANSION IS A MIRACLE.

THANK YOU
