Canadian Aerodrome

Customs Points of Entry

Decode

For Flight Planning Purposes Only
Sorted By Identifier

All **IFR and IFR ADCUS** flight plans will be addressed using the location identifiers listed under the column headed **"IFR FAC".**

All **VFR and VFR ADCUS** flight plans will be addressed using the location identifiers listed under the column headed **"VFR FAC"**.

Refer to the Canada Flight Supplement to determine Customs hours of service, availability of Customs flight notification service (ADCUS), and relay facility for infrequently used airports of entry.

Procurement

CIVIL - Subscription or single order pricing is available. Contact NAV Canada for the latest information. Each order should specify whether the order is for the English edition or the Bilingual edition.
