

How Does It All Connect?

FAA Order 8000.369, industry changes, and ICAO are leading both AVS and certificate holders towards SMS

AVSSMS

Certificate Holder SMS
Air Operators, Air Agencies

The AFS SAS will be our oversight system for Parts 121, 135, and 145 (and eventually all other Parts)

AFS
Safety Assurance = SAS
(Oversight)

The AFS Safety Assurance System (SAS) provides the principal interface between the AVS Safety Management System (AVSSMS) and certificate holders' SMS

Federal Aviation Administration

SASO - System Approach for Safety Oversight (AFS-30)
