

Flying to Alaska

Flying an airplane to Alaska should be considered from two points of view: (1) Planning and routing the trip to Alaska and (2) Flying within Alaska. A good reference for this information would be the Airport Facility Directory for Alaska. This publication can be ordered from:

National Aeronautical Charting Office
AVN 530 Distribution Division
6303 Ivy Lane, Suite 400
Greenbelt, MD 20770
Telephone: 1-800-638-8972
Fax: (301) 436-6829
www.naco.faa.gov
Email: 9-AMC-Chartsales@faa.gov

Other authorized charting agents may also carry this publication.
