

Alliance/Ft. Worth District Designated Airworthiness Representatives (DAR)

DAR's are available to the public to perform services listed below. As with other designees, they may charge a fee for their services. Arrangements for DAR services are the applicant's responsibility.

DAR's may perform the maintenance functions listed below as authorized, which are referenced by numbered paragraphs 23 through 33 and may have further limitations.

[23] Issuance of recurrent standard airworthiness certificates for U.S. registered aircraft

[24] Issuance of recurrent standard airworthiness certificates for non-U.S. manufactured aircraft imported from countries other than the country of manufacture with whom the United States has bilateral agreement(s).

[25] Issuance of recurrent special airworthiness certificates for U.S. registered restricted category aircraft. **Note: Non-U.S. manufactured aircraft imported from countries other than the country of manufacture are not eligible for this issuance.**

[26] Issuance of recurrent/original special airworthiness certificates in the experimental category, for the purposes of exhibition or air racing on U.S. registered aircraft located in the United States.

[27] Issuance of recurrent/original special airworthiness certificates for primary category aircraft.

[28] Issuance of recurrent/original special airworthiness certificates, in the experimental category, for the purposes of operating amateur built aircraft, market survey, research and development, and crew training on U.S. registered aircraft. **Note: Spare and surplus apply only to 14 CFR Sections 21.21 and 21.27 type certificated aircraft.**

[29] Issuance of special flight permits for U.S. registered aircraft for the purposes outlined in 14 CFR Section 21.197(A)(1), (2), (4), and 21.197(B).

[30] Issuance of recurrent/original special airworthiness certificates for limited category.

[31] Issuance of recurrent export airworthiness approvals for Class I products in accordance with Part 21, Subpart L.

[32] Issuance of recurrent export airworthiness approvals for Class II products that are manufactured and located in the United States in accordance with Part 21, Subpart L.

[33] Issuance of replacements for lost, stolen, or mutilated standard or special airworthiness certificates if the proper documentation can be obtained from the applicant. **Note: This includes the replacement of certificates when the aircraft registration number changes.**

For additional information regarding the DAR program, contact one of the DAR's listed, or an airworthiness inspector at the Fort Worth Flight Standards District Office.
