Congratulations to the FAA Production Studio Staff and Crew for an incredible year! Each year brings on many new challenges as we continue our steady growth.

As we grow our crew grows and you continue to meet the increasing demands required by this evolution.

The December 3rd "Annual FAA Production Studio Crew Awards Luncheon" is our opportunity to recognize some of our own who have given countless hours of their time and effort throughout the year.

We would like to take this time to recognize these great volunteers:

"2005 Cross Country Prop Award" winners are: Mike Mascia, Rick Daniel, Norma Jeerings, Don Jeerings, Sam Marks and Bob Feeley.

"2005 Crystal Flight Award" winners are: Norma Jeerings, Maureen Strange and Adair Henderson.

The luncheon gave us all time for some fun camaraderie, recognition of our peers and some great food thanks to Billy and Adair Henderson who made sure no one left hungry. But most of all time to spend getting to know each other just a little better. For instance how many of you know that Don Jeerings is quite a musician? He entertained us during the event with some wonderful Christmas music.

Thanks go out to Ernie Strange and Diego Alfonso for emceeding the event and bringing us a lot of laughs and many thanks to the Florida Aviation Safety Foundation for making the studio happen.

A very **Merry Christmas** to all and the Best of Wishes for a **Happy and Prosperous New Year!**
