# Happy New Year!

By Cheryl DeFilippo & Hugh Hardy  
*FAA Production Studio Staff*

**H**appy New Year to everyone!!! We have started 2003 geared up and ready to roll.

Special thanks go to Terri Kurtz and Bill McClung for kicking off January with a great "Ultralight" seminar. We had 120 turnout for the program. Many thanks also to Jay Kurtz for holding the "preflight contest" with his ultralight.

The speakers were excellent and an incredible amount of door prizes were passed out throughout the program
