Studio Preps for SNF

By Cheryl DeFilippo & Hugh Hardy
FAA Production Studio Staff

The count down for Sun 'n Fun continues! April 2nd is just around the corner and the production crew has been hustling to get the studio prepped and ready for our Sun 'n fun shoots.

Numerous work parties have taken place readying the facility and equipment for the week of activities.

Many thanks to the Production Crew members who have taken so much of their time to help in this endeavor. It takes each and everyone of us to make this happen. It is a giant undertaking that benefits our aviation community a hundred times over.

information at this time and it is important that you be briefed on any changes or special expectations for the day.

**2003 Production Crew
with Special Guest, Cary Mendelsohn,
"Who Want's to be An Aire-Man" host.**

You must wear your Blue Production Crew Shirt and khaki pants please ... no short's... and wear your studio I.D. Security will be at a heightened state.

If for any reason you are unable to report for the day please phone Obie or the Safety Center, and ask for the Control Room, and let us know. If we haven't heard from you we will be looking for you thinking something has happened.

Special thanks to everyone who will be working at the studio for Sun 'n Fun Here are some things to remember Please be on time for the pre-brief each day. We will be getting all our vital

Please report to your post timely as we will be broadcasting live on the satellite uplink. We must all be in position and ready for each shoot. Most of all enjoy Sun 'n Fun. It's a great time for all of us!
