
Public Scoping Comment Form

SpaceX Texas Launch Site

Environmental Impact Statement

The Federal Aviation Administration, Office of Commercial Space Transportation is preparing an Environmental Impact Statement (EIS) to assess the potential environmental impacts of the proposed issuance of launch licenses and/or experimental permits to Space Exploration Technologies Corp. (SpaceX) for operating the Falcon vehicle launch programs from a private site located in Cameron County, Texas. Please record your comments on this form and submit by:

- ① Filling out this form and dropping it in the comment box at the public scoping meeting
- ② Talking to our stenographer who can record your comments at the public scoping meeting
- ③ Submitting comments electronically to: **faaspacexeis@cardnotec.com**
- ④ Faxing your comments to (410) 990-0455
- ⑤ Mailing your comment form to: Ms. Stacey M. Zee, Environmental Protection Specialist
Federal Aviation Administration
SpaceX EIS
c/o Cardno TEC Inc.
275 West Street—Suite 110
Annapolis, MD 21401

Please Note: Written comments become part of the administrative record associated with this proposed action. Individual citizens may request that their name and/or home address be withheld from public disclosure, which will be honored to the extent allowable by law. If you wish to have your name and/or home address withheld, you must check the box(es) below. Please note that contact information for individuals or officials representing organizations and businesses may be disclosed.

- Please add my name to the mailing list for future updates.
- Please withhold my name from public disclosure to the extent allowable by law.
- Please withhold my address from public disclosure to the extent allowable by law.

Please provide comments no later than May 30, 2012 to ensure they are considered during preparation of the Draft EIS.

PLEASE PRINT CLEARLY AND LEGIBLY
