

Under the Electronic Federal Aviation Accelerated and Simplified Tasks (eFAST) program Contract Number DTFAWA10A-00019, AOC Aviation Services (AOC Aviation) holds a Master Ordering Agreement (MOA).

AOC Aviation Services key personnel have a long history of providing project management services in a **partnering/ collaborative environment**. As for each of our other programs, we tailor our procedures such that they align directly with our six eFAST functional areas. AOC Aviation provides first-class project management and performance management metrics that are measured and communicated through the medium of a dashboard as depicted below. Further, we provide proprietary quality control inspection management software, safety program management, environmental services, and we have over a decade of providing tower and TRACON displays.

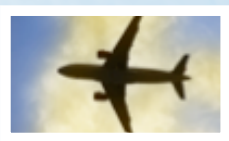

We use realistic performance-based metric driven dashboards to monitor, track, measure, report.

Tower/TRACON display
