Commentary (03/2009)

The total case rate for FY 2008 was 2.14 per 100 employees. The data for Q1 FY09 (number of cases from DOL website and population from DOT web site) project a rate of 1.89 per 100 employees for FY-09. (The projected rate using population estimates from DOL is 1.92, still significantly better than the target.)
