MEETING 15-01

Lynette Jamison, AJR-B11, briefed the issue. Lynette discussed the ongoing transition of the FAA NOTAM system to the Federal Notam System (FNS), an ICAO compliant NOTAM system. The goal is to harmonize the NOTAM system and for it to be fully converted to the ICAO based system by 2020. The NOTAM office is working with various stakeholders to gain feedback and input on the new system.

Lynette discussed how the budget of the NOTAM office is changing. The new model requires the proponent office in the FAA to fund their requested changes to the system. This change took place in January 2015.

Lynette will provide updates as warranted during the course of the transition of the NOTAM system.
