iSupplier Portal Firewall Testing Instructions

Please follow the quick two step procedure below to ensure your Internet firewall permits access to the iSupplier Portal.

**Step 1:** From your computer desktop click “Start” > “Programs” > Internet Explorer*

![Start button, Programs, Internet Explorer]

**Step 2:** Enter the following web page address [https://einvoice.esc.gov](https://einvoice.esc.gov) into your browser’s address field and press the “Enter” key.

![Internet Explorer window with https://einvoice.esc.gov highlighted]
**Outcome 1:** If you are able to see the web page (see image below) you should have no issues with future login to iSupplier.

**Outcome 2:** If you are **not** able to see the web page, contact your local IT department/web administrator to ensure your firewall is set to communicate with: IP address 162.58.35.158 over ports 80, 443 and 30099.
