

# Planning for Compliance Roundtable Brief Out

- Major Themes
- Major Issues
- Take Aways
- IOUs

# Major Themes

- **Planning for compliance is an innovative idea and could be a pro-active approach to compliance**
- **Elected officials' insufficient understanding of grant assurance obligations**
- **Airports lack guidance on enforcing obligations**

# Major Issues

- **Education on Federal Grant Assurances is needed**

# Take Aways

- **The need for FAA presence in the planning process to discuss grant assurances during Sponsor and community meetings**
- **Presentation material to understand compliance (grant assurances)**

# IOUs

- **Provide Sponsor a handout tool for understanding Sponsor's obligations**
