

## **APPENDIX 2. SPECIAL REQUIREMENTS OF IMPORTING COUNTRIES AND JURISDICTIONS**

1. This appendix contains special requirements which have been stipulated by a number of governments as being applicable to aeronautical products imported into their countries and jurisdictions from the United States. Revisions of the appendix will be made from time to time following receipt of official notification and documentation from the governments concerned.
2. The material in appendix 2 is quoted from the requirements submitted by import countries and jurisdictions; therefore, changes were not made to conform to the Government Printing Office Style Manual or FAA directives. Where the FAA added information for clarification, the information is enclosed in double brackets. The term Federal Aviation Regulation (FAR) is now referred to as Title 14 of the Code of Federal Regulations (14 CFR). However, in this appendix the term FAR is still used by some import countries and jurisdictions.
3. The following governments have filed their requirements with the FAA
