Office of Airport Safety and
Standards

800 Independence Avenue, SW
Washington, DC 20591

September 4, 2018

Dear Industry Representative:

We are submitting for your review Draft Advisory Circular (AC) 150/5300-14D, *Design of Aircraft Deicing Facilities*. The Advisory Circular and comment matrix are also available on http://www.faa.gov/airports/resources/draft_advisory_circulars/.

We will consider comments received by September 28, 2018, for inclusion in the AC. Submit all comments electronically (do not mail) using the provided COMMENT MATRIX to Ryan Bale at ryan.bale@faa.gov.

The FAA specifically requests comment regarding the continued use of the color red for the Vehicle Safety Zone on aircraft deicing aprons.

Please accompany all comments with a justification for the change and with the recommended language where necessary.

Sincerely,

A handwritten signature in black ink, appearing to read "Khalil E. Kodsi".

Khalil E. Kodsi, P.E. PMP
Manager, Airport Engineering Division, AAS-100
