Dear Industry Representative:

We are requesting your review of Advisory Circular (AC) 150/5370-12B, Quality Management for Federally Funded Airport Construction Projects. This AC discusses roles of Airport Sponsors and the Federal Aviation Administration (FAA) in the management of Federally funded airport construction projects. We request concurrence with the enclosure. We will consider comments received by August 14, 2015, for inclusion in the final advisory circular.
