Standards

800 Independence Avenue, SW
Washington, DC 20591

AUG 05 2013

Dear Airport Lighting Stakeholders,

The Federal Aviation Administration (FAA) is circulating Draft Advisory Circular (AC) 150/5340-30H, Design and Installation Details for Airport Visual Aids, to interested parties to obtain comments and recommendations. This AC provides guidance and recommendations on the installation of airport visual aids.

Please review this draft and submit comments as appropriate. Changes to this document are indicated with change bars in the margins and color-coded in bold blue for your convenience.

Comments should be submitted on a separate document and not embedded in the draft AC. Additionally, please provide justification for all comments regarding oppositions with recommended modifications.

Comments received by **Aug 23, 2013**, will be considered for inclusion in the Advisory Circular.

Please submit comments on the provided **Comments Matrix** and reference the paragraph in question with your recommended change. Please **email** the completed **Comments Matrix** to Alvin Logan at alvin.logan@faa.gov.

We have posted a PDF version of Draft AC 150/5340-30H on the FAA website at http://www.faa.gov/airports/resources/draft_advisory_circulars/circular/.

Sincerely,

John R. Dermody, P.E.
Manager, Airport Engineering Division
