

Federal Aviation Administration

Memorandum

Date:

To: Neika Jones, Directives Program Manager (A), ASP-110

From: Karen Chiodini, Director (A), Policy, AJV-P

Prepared by: Kelvin Baker, ATC Procedures (Terminal), AJV-P31

Subject: Cancellation of FAA Order JO 7110.123, Wake Turbulence
Recategorization – Phase II

The Office of Primary Responsibility is submitting this memorandum in order to cancel FAA Order JO 7110.123, Wake Turbulence Recategorization – Phase II. This order is no longer valid because all facilities in the National Airspace System that were authorized to apply the procedures and separation minima contained therein have been migrated to the use of Consolidated Wake Turbulence procedures and separation minima contained in FAA Order JO 7110.126.

If you have questions or concerns, please contact John Combs, Manager, Standards and Procedures, AJV-P3, at (202) 267-1669.
