Institutions Authorized to Certify its Graduates for an Airline Transport Pilot (ATP) Certificate with Reduced Aeronautical Experience

Graduates of an institution of higher education that have received Federal Aviation Administration (FAA) authorization to certify graduates may be eligible to apply for a restricted privileges airline transport pilot (R-ATP) certificate. The total flight time requirements for a restricted privileges ATP Certificate based on a degree with an aviation major are found in § 61.160.

- 1,000 hours for a graduate who holds a bachelor's degree with an aviation major and meets the remaining requirements of § 61.160(b);
- 1,250 hours for a graduate who holds an associate's degree with an aviation major and meets the remaining requirements of § 61.160(c); and
- 1,250 hours for a graduate who holds a bachelor's degree with aviation major and meets the remaining requirements of § 61.160(d).
- Once an institution of higher education is issued its Letter of Authorization (LOA), the FAA will enter the institution of higher education on the list below, found at:
