## CHARTING NOTICE

Date: April 17, 2023  
To: Users of FAA Chart Supplement Pacific  
From: Aeronautical Information Services  
Subject: Chart Supplement Pacific – ICAO International Phonetic Alphabet/Morse Code

---

---

Starting with the August 10, 2023 effective date, the Chart Supplement Pacific publication will no longer contain the ICAO International Phonetic Alphabet/Morse Code table in the Associated Data section.

This removal is in alignment with the agency's objectives to eliminate duplicative, redundant, and conflicting information used in flight planning and operations.

The ICAO International Phonetic Alphabet/Morse Code table is available in the Aeronautical Information Manual (AIM) in Chapter 4, Section 4-2-7 Phonetic Alphabet; Table 4-2-2 Phonetic Alphabet/Morse Code.

For questions or comments, please contact [9-AWA-AJV-A2-Apt-MapTeam@faa.gov](mailto:9-AWA-AJV-A2-Apt-MapTeam@faa.gov)

(See next page for the ICAO International Phonetic Alphabet/Morse Code table for removal)
