## SAFETY ALERT

Date: August 6, 2024

To: Users of the National Flight Data Digest (NFDD) and NASR Subscriber Files

From: Aeronautical Information Services, AJV-A

Subject: OTM DME Frequency Error

---

Attention users of the NASR Subscriber Files. The NAVAIDS (.txt & .csv) subscriber files effective 09/05/2024 for the OTM DME is missing the paired VHF frequency of 111.6. A correction has been issued in NFDD 152-1 dated 08/07/2024 and will be included in the NAVAIDS (.txt & .csv) effective 10/03/2024.
