Background Information.

The FAA Administrator's Hotline is used by agency employees to report personnel concerns, inequities, or operational safety ideas that are not being addressed through other agency processes. It is not intended to be used when other channels for dealing with problems and solutions such as agency grievance procedures, discrimination complaints or other formal appeal processes exists. Nor is it to be used to bypass the exclusive representation provided by bargaining units recognized by the FAA. Access to the electronic system and the paper records is restricted to the Administrator's Hotline staff.
