WASHINGTON, DC

ORDER

FAA Order

Number: Odra-14-720

Matter: Protest of CGH Technologies, Inc.
Under Solicitation No. DTFawa-13-R-00020

Docket: 14-ODRA-00700

Date Served: April 23, 2014

ORDER

CGH Technologies, Inc. (“CGH”) filed this bid protest (“Protest”) under Solicitation DTFawa-13-R-00020 (“Solicitation”) on March 20, 2014. The Solicitation requests competitive offers to provide a software system to the Federal Aviation Administration with the ability to access aeronautical information in different formats under the Aeronautical Information Management Modernization Program.

CGH alleges that the FAA Product Team was required to consider a proposal that CGH characterized as a “late modification,” pursuant to AMS Clause 3.2.2.3-14(g), after its initial proposal was rejected as untimely. For the reasons set forth therein, I adopt and incorporate by reference the attached Findings and Recommendation of the Office of Dispute Resolution for Acquisition, and hereby deny the Protest in its entirety.

This is the final Agency Order in this matter. To the extent that this decision is subject to review, such review shall be sought in accordance with 49 U.S.C. § 46110 and the

ODRA Procedural Rule, 14 C.F.R. § 17.43 (2013), within sixty (60) days of issuance of this Order.
