

➤ **Effective March 17, 2011. Due to National Security Requirements, visitors wanting to come into the Flight Standards District Office (FSDO) to get their needs addressed**

must make an appointment prior to their visit.

➤ **If all you need to accomplish is a drop off or pick up of documents, you can accomplish this with our receptionist.**

In this case, an appointment is not required.

➤ **To set up your appointment with us, you can call our main office line at (907) 280-6800. You can also call your Principal Inspector to check their availability and have him/her assist in setting your appointment.**

➤ **This will ensure that we can assist you with your queries in the most efficient manner possible.**
