Name _____ A&P Number _____

Address/Fix Base of Operation _____

Telephone _____ E-mail _____

Inspection Authorization and Technical Library

FAR 65.91 (C)

c) To be eligible for an inspection authorization, an applicant must --

- (1) Hold a currently effective mechanic certificate with both an airframe rating and a powerplant rating, each of which is currently effective and has been in effect for a total of at least 3 years;
- (2) Have been actively engaged, for at least the 2-year period before the date he applies, in maintaining aircraft certificated and maintained in accordance with this chapter;
- (3) Have a fixed base of operations at which he may be located in person or by telephone during a normal working week but it need not be the place where he will exercise his inspection authority;
- (4) Have available to him the equipment, facilities, and inspection data necessary to properly inspect airframes, powerplants, propellers, or any related part or appliance;
