**Subject: PILOT'S BILL OF RIGHTS WRITTEN NOTIFICATION OF INVESTIGATION**

The information which you submitted on FAA Form 8610-1, "Mechanic's Application for Inspection Authorization", will be used by the Administrator of the Federal Aviation Administration as part of the basis for issuing an airman certificate, rating, or inspection authorization to you under Title 49 of the United States Code section 44703(a), if the Administrator finds, after investigation, that you are qualified for, and physically able to perform the duties related to the certificate, rating, or inspection authorization for which you are applying. Therefore, in accordance with the PBR, the Administrator is providing you with this written notification of investigation of your qualifications for an airman certificate, rating, or inspection authorization:

1. The nature of the Administrator's investigation, which is precipitated by your submission of this application, is to determine whether you meet the qualifications for the airman certificate, rating, or inspection authorization you are applying for under Title 14 of the Code of Federal Regulations parts 61, 63, or 65.
2. Any response to an inquiry by a representative of the Administrator by you in connection with this investigation of your qualifications for an airman certificate, rating, or inspection authorization may be used as evidence against you.
3. A copy of your airman application file for this date is available to you upon your written request addressed to:

**Federal Aviation Administration  
Airmen Certification Branch, AFS-760  
P.O. Box 25082  
Oklahoma City, OK 73125-0082**

(If you make a written request for your airman application file, please provide your full name, date of birth, or Airman Certificate number for identification purposes, and also the date of the application.)

[To Be Retained by the FAA Inspector/Designated Examiner]
