Our Mission

The Louisville Flight Standards District Office is committed to assuring the public a safe, secure and efficient aviation system. This commitment is demonstrated through a dynamic team of professionals providing education, oversight, and leadership, while enforcing high standards established by the Federal Aviation Administration.

Core Values

Safety is our passion

We work so all air and space travelers arrive safely at their destinations.

Excellence is our promise

We seek results that embody professionalism, transparency and accountability.

Integrity is our touchstone

We perform our duties honestly, with moral soundness, and with the highest level of ethics.

People are our strength.

Our success depends on the respect, diversity, collaboration, and commitment of our workforce.

Innovation is our signature

We foster creativity and vision to provide solutions beyond today's boundaries.

Who We Are

The Louisville Flight Standards District Office is conveniently located in Louisville on the border of Southern Indiana, sharing the banks of the Ohio River. Our office manages all certificate management responsibilities other than CFR Part 121..

Louisville is the sixteenth largest city in the United States and the largest city in Kentucky. Louisville has been called "The gateway to the south." Greater Louisville is

easily accessible and within a day's drive of half the nation's population. The Louisville International Airport is only seven minutes from downtown and handles on average over four hundred flights per day. The Millennial Edition of *Places Rated Almanac* ranked Louisville the Fourteenth best place to live in North America.
