

GUIDELINES FOR MILITARY APPLICANTS

Certain military pilots may be eligible for a pilot certificate and/or rating based on their military experience. In addition, military instructor pilots may be eligible to apply for a Certified Flight Instructor rating.

You will need to contact a *Designated Pilot Examiner (DPE)* and make an **appointment** in order to complete this process.

- **Robert Belisario** is a DPE in the Syracuse, NY area with authority to issue military competency certificates. His telephone number is **(315) 430-6454**.
- **Patrick Long** is a DPE in the Rochester, NY area with authority to issue military competency certificates. His telephone number is **(585) 794-1621**.

The documents required for presentation of proof of eligibility vary from service to service. Therefore, when you make your appointment, be sure to verify what you need to bring along.

NOTES:

- *Once your appointment is made, be advised that you will be expected to arrive on time. If you have a conflict/delay, you will need to contact the person with whom you have the appointment as soon as possible before your scheduled time.*
- **You must present a photo ID for identification.**
