FAA dbE-Connect System

- FAA's objective is to provide one centralized resource for all FAA DBE and ACDBE Program information.
 - DBEs/ACDBEs
 - FAA staff
 - Airport staff
- In addition, to provide all DBE and ACDBE program users with one record system, simplify data aggregation, allow unique report generation, simplify trend analyses and eliminate the need for submission of paper documents.

dbE-Connect - Current

- We have further enhanced the FAA DBE/ACDBE directory. This is a current nationwide list of certified DBE and ACDBE firms that was developed through direct coordination with State and Airport UCPs.
- Currently, 78% of the UCP directories are now included in the System.
- Discussions continue with remaining states to obtain their UCP lists in compatible electronic format (excel or text)
- Currently there are 19748 businesses with 23177 DBE and/or ACDBE certifications (increased from 11,140 firms with 12,862 DBE certifications in December 2011).
