**ORDER**

Enterprise Engineering Services, LLC (“EES”) filed the above Protest challenging the competitive award of a Socially and Economically Disadvantaged Business (“SEDB”) set-aside Contract to Arctic Slope Regional Corp, Research and Development Solutions (“ARTS”) under Solicitation DTFact-09-R-00007. The Contract, commonly known as the “SOS-7 Contract”, is the seventh in a series of “Service Operations Support” contracts for the provision of second-level maintenance services in support of the National Airspace System.

The Protest asserts several grounds, including challenges to the eligibility of ARTS as an SEDB and the conduct of the offer evaluation process. For the reasons set forth therein, I adopt and incorporate by reference the attached Findings and Recommendation of the Office of Dispute Resolution for Acquisition (“ODRA”), and hereby: (1) deny the ARTS Request for Dismissal; (2) partially sustain the EES Protest and direct the Center to undertake remedial actions, as recommended by the ODRA; and (3) deny the remainder of the Protest.
