Under No. DTFACT-09-R-00008

**Docket:** 09-ODRA-00495

**Date Served:** November 13, 2009

**ORDER**

Evolver filed the above Protest challenging a competitive award by the FAA Technical Center (“Center”) of a contract under Solicitation DTFACT-09-R-00008. The Contract, commonly known as the “SOS-8 Contract”, is the eighth in a series of “Service Operations Support” contracts for the provision of second-level maintenance services in support of the National Airspace System (“NAS”).

The Protest asserts several grounds, including challenges to the technical and price evaluations. For the reasons set forth therein, I adopt and incorporate by reference the attached Findings and Recommendations of the Office of Dispute Resolution for Acquisition (“ODRA”), and hereby: (1) partially sustain the Evolver Protest and direct the Center to undertake remedial actions, as recommended by the ODRA; and (2) deny the remainder of the Protest.

This is the final Agency Order in this matter. To the extent that this decision is subject to review, such review shall be sought in accordance with 49 U.S.C. § 46110 and the ODRA Procedural Rule, 14 C.F.R. § 17.33, within sixty (60) days of issuance of this Order.

Issued this 13th day of November, 2009
