AVIATION WORKFORCE DEVELOPMENT

GRANTS

TO EDUCATE FUTURE AIRCRAFT PILOTS

Can you help prepare high school students to become aircraft pilots, aerospace engineers, or unmanned aircraft systems operators?

Consider applying for a grant!

Federal funding is available.

Let's help inspire the next generation of aviation professionals!

The FAA is investing in the future aviation workforce.

We are providing grants to academia and the aviation community to help prepare a more inclusive talent pool of pilots and aircraft maintenance technicians.
