

## EIFF Previously Supported Projects

- [Academy Enhanced Terminal Voice System \(AETVS\) \(2006\)](#)
- Air-to-Ground Implementation Experiment (AGIE) (2000)
- Air Route Traffic Control Center Monitor and Control Center (AMCC) 2002
- [Air Traffic Oceanic Procedures \(ATOP\) Monitor and Control Simulator \(AMCS\) \(2011\)](#)
- Atlanta Co-Location (2001)
- Common Message Set Development Support (2003)
- Controller Pilot Data Link Communication (CPDLC-I) Testing (2002-2003)
- [Data Acquisition System/Remote Situation Display \(DAS/RSD\) replacement prototype](#) (2003)
- Direct To Phase 1 /Phase 2 (2002-2003)
- [Display Processor Assessment \(DPA\) Alternative Studies](#) (2000)
- Display System Replacement (DSR) Technology Refresh Studies (2004)
- [Distributed Test and Maintenance Methods \(2006\)](#)
- Domestic Reduced Vertical Separation Minima (DRVSM) (2004-2005)
- Decision Support Analysis Recorder (DSAR) (1999)
- DSR/URET Flat Panel Display Evaluation (2002)
- ENDL Design and Implementation (2002)
- Enhanced Backup System (EBUS) Implementation (2003)
- [En Route Monitor and Control \(M&C\) Concepts](#) (2004)
- En Route Network Early Engineering Assessment (2001)
- Risk Reduction Demonstration (ERAM RRD) (2007)
- En Route Automation Modernization (ERAM) Metrics Conflict Alert Simulation and Scenario Development (2007)
- En Route Communications Gateway Operations Capability Demonstration, Manual Validation, and Vulnerability Assessment (2003)
- ERIDS Studies (2002)
- ERAM GUI Builder Studies (2003)
- High Altitude Test (HAT) (2000)
- Helicopter In-flight Tracking System (HITS) (2005)
- Host Oceanic Computer System Replacement (HOCSR) Installation (2000)
- HOCSR Phase 3 Monitor and Control POC (2000-2003)
- HOCSR Phase 3 Peripheral Replacement POC (2000)
- HOCSR Phase 3 Procedure Verification (2002)
- HOCSR Phase 3 Storage POC (2001)
- HOCSR Phase 3 TCP/IP Studies (2001)
- HOCSR Phase 4 HSP and KPR POCs (2000)
- Host Evolution - Partitioning Demonstration (2004)
- Host Virtual Tape (HVT) System (2006)
- Initial Academy Training System (IATS) (2004)
- Initial Academy Training System Voice Communication System (IATS VCS) 2006
- In Service Management Team (ISMT) Verification and Regression (V&R) Testing (2008-2012)

- ISMT Operational Integration (OPSINT) Testing (2008-2013)
- I/O Server Early Engineering Assessment (1999)
- ATN Logical Acknowledge (LACK) research (2000-2001)
- NAS/NOM Training (1999)
- NAS Y2K End-to-End Testing (1999)
- [NextGen En Route Fuel Optimization Study \(2010\)](#)
- NAS Infrastructure Management System Support (NIMS ) (2001)
- PAMRI Prototype Demo Preparation (1998)
- Series 1 Replacement (1999)
- Series 1 Replacement AF Training (1999)
- Simulated VSCS (SVSCS) (2003)
- Surveillance Data Processing Proof of Concept Support (2003)
- ERAM Support Infrastructure Early Engineering Assessment (2002)
- Tracker Position Studies (2002 2003)
- [Traffic Management Advisory Coupled Scheduling \(TCS\) Evaluation and Demonstration](#) (2009)
- User Request Evaluation Tool (URET) Limited Deployment Acceptance Testing (2002)
- User Request Evaluation Tool (URET) Problem Analysis, Resolution and Ranking/Automated Resolution Tool (PARR/ART) (2003)
- User Request Evaluation Tool (URET) Limited Deployment Operations Evaluation (2003)
