Instructions for Ordering EDMS (effective November 2010):

For questions contact EDMS Distribution at: edms@cssiinc.com or (202) 863-3706

STEP 1: SUBMIT ORDER FORM

- Complete the order form on the previous page and submit to CSSI, Inc. via email, fax, or mail.

STEP 2: REQUEST A FREE BADA LICENSE FROM EUROCONTROL

- EDMS 5 uses the EUROCONTROL Base of Aircraft Data ("BADA") for aircraft performance modeling, a critical new dataset that will enhance the accuracy and capabilities of EDMS. The BADA data is owned and maintained by EUROCONTROL. It contains information deemed sensitive to aircraft manufacturers and, therefore, the use of this data must be tracked by a licensing process.
- **IMPORTANT:** Before an EDMS 5 version can be shipped to you, each user must obtain a free license directly from EUROCONTROL.
- To obtain the free EUROCONTROL BADA license, please visit the following website:

<http://badaext.eurocontrol.fr/home/newuseredms>

For more detailed instructions, please visit the EDMS website at:

http://www.faa.gov/about/office_org/headquarters_offices/apl/research/models/edms_model

STEP 3: TIMING OF EDMS CD SHIPPING

- Upon submission of the BADA license request, EUROCONTROL will notify the FAA that the request has been approved. Subsequently, CSSI Inc. will distribute the EDMS CD to the user.
