Google Earth Representation of the
Grand Canyon Special Flight Rules
Area Alternatives

Federal Aviation Administration
National Park Service

Grand Canyon National Park
Arizona

Google Earth will provide:

- A three dimensional view of the alternatives from various perspectives (overview, flight lines, ground level)
- The NEPA team with easy access to the alternatives
- The potential to add other layers (e.g., zoning, wilderness proposal)
- An opportunity for the public to visualize the alternatives via the internet and/or CD
