1. Authority: This Order is issued to Space Exploration Technologies, referred to as SpaceX, under 51 U.S.C. Subtitle V, chapter 509, and 14 C.F.R. Ch. III.
2. Purpose: This Order modifies License No. RLS 15-006 issued concurrently by the Federal Aviation Administration's Office of Commercial Space Transportation, authorizing SpaceX to conduct six reentries of Dragon reentry vehicles; and prescribes as conditions to License No. RLS 15-006, requirements applicable to the reentries.
3. Authorization: SpaceX is authorized to conduct six reentries of Dragon reentry vehicles in accordance with the representations made in SpaceX's application:
  - (a) From Earth orbit;
  - (b) From a nominal orbital inclination of 51.6 degrees;  
and
  - (c) To an ocean location specified in the application.
4. Special Reporting Requirement: In addition to all applicable reporting requirements under 14 C.F.R. Ch. III, SpaceX must provide a summary of anomalies that occur during the mission that could be material to public safety or result in an environmental impact within three (3) weeks of each Dragon reentry.

5. License Term: License No. RLS 15-006 terminates upon completion of the reentries authorized by the license, or eighteen (18) months after the final launch that delivers a Dragon reentry vehicle included in the reentry license to orbit, whichever occurs first.
