Flash Talks

- Give industry an opportunity to tell us their best thinking on topics directly relevant to our intentions

- Product: An Informed Government team with deeper insight into capabilities of Industry and insights into key questions in the development of the policies, concept of operations, and architecture for a CSTM system

Flashtalks Process

- Date: December 9, 2016

- 0900-1200

- Government-only audience

- 30 minutes per brief

- FAA-AST will choose briefings based on relevance of the subject
  - Topics not on the FAA "questions" list <u>are</u> encouraged

- Guidance for the presentations:
  - No sales pitches
  - Stick to your topic
  - Manage your time – you leave 30 minutes after you start.

Scheduling a Flashtalk Time

- Email to:
  - Jeff.detroye@faa.gov

- Be sure to include a description of the ideas or concepts you plan to cover.

- Selected presenters will be notified by 22 November.
