All courses shall be taken at the above school with a grade of “C” or better within a two year period for successful completion of the TO-CTI/UPMO program. Upon initial entrance into the program, previous credits may be transferred, if approved by the college, and the FAA Service Area. However, once accepted into the program, all coursework shall be completed at the approved college. *The following program(s) are the FAA approved program(s) for Southeast Community College (SCC):*

- **Associate of Applied Science in Electronics Systems Technology (AASEST)**

Requirements for the above program(s) may be met by completing all the required core courses below with a grade of C or better in each, (**does not include any other course required by the college for the degree such as general education**).

Course #	Course Title	Units	Grade	Date completed
ELEC 1129	DC Electronics	8		
ELEC 1219	AC Electronics	8		
ELEC 1227	Digital Circuits	5		
ELEC 1317	Active Circuits	8		
ELEC 1422	Analog Circuits	8		
ELEC 1432	Power Supply Systems	3		
ELEC 1482	Advanced Digital Circuits	5		
ELEC 2519	Communications Systems	6		
ELEC 2640	Advanced Communications Systems	4.5		
ELEC 2560	WiFi & Transmission Systems	3.5		
ELEC 2570	Systems Troubleshooting	6		
ELEC 2750	Advanced Systems Troubleshooting	4.5		
ELEC 2753	PC Operating Systems	6.5		
ELEC 2760	Networking Infrastructure	4.5		
ELEC 2761	Router Implementation	4		
ELEC 2530	Microprocessor Applications	6		
ELEC 2735	Advanced Microprocessor Applications	4.5		
MATH 1050	Thinking Mathematically	4.5		
MATH 1080	Algebra & Trigonometry	4.5
