EFFECTIVE: April 29, 2014

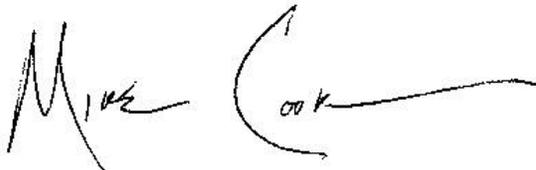

JUNEAU FLIGHT SERVICE STATION (FSS) LETTER TO AIRMEN NO. 14-01

SUBJECT: Naked Island RCO frequency change

CANCELLATION: November 30, 2014

The Naked Island Remote Communications Outlet in Prince William Sound has been changed from 122.3 to 133.15.

The information will be published in the Alaska Supplement and sectional charts. Until that time please make special note of this change for planning flights in the Prince William Sound area to ensure communication of vital safety and flight information with Juneau Flight Service Station when necessary.

A handwritten signature in black ink, appearing to read 'M. Cook', with a large, stylized flourish extending to the right.
