Dillingham Flight Service Station (FSS) LETTER TO AIRMEN 13-1

SUBJECT: Dillingham Flight Service Station Facility Relocation

CANCELLATION: December 17, 2014

On December 17, 2013, Dillingham Flight Service Station will be relocated into a new building. The new address is 760 Airport Road, Building 450, Dillingham, AK 99576. It is located on the northern end of the East Apron. All pilots and interested parties are welcome to visit the FSS for a Pilot Weather Briefing.

Simultaneous to the move into new quarters, the Dillingham AWOS frequency is being changed to match the AFIS frequency of 125.0 MHz. No other telephone numbers or radio frequencies will be changed. The Flight Service Station hours of operation remain unchanged, as well: 7:45am through 9:45pm, 7 days a week.

If you have questions or concerns, please contact Dillingham Flight Service Station at 907-842-5275 / 907-842-5276, or Kenai Flight Service Station at 907-283-3735.
