

PARC Telecon Summary

Oct. 25, 2006

1. Critical Schedule and Program Review.

Swigart

a. FASDAWG status.

Demosthenes

Comments on the final FASDAWG recommendations are due by next Wednesday, November 1st. This will facilitate the drafting of a letter to forward to the FAA with the recommendations by the next telecon to be held November 8th. Steve Albers will send a message to the PARC notifying them of the requirement to review the final recommendations. The recommendations can be viewed at:

b. RNP Criteria WG

Burns

Roger Burns stated that the draft letter for the RNP Criteria WG recommendations will be sent to Dave Nakamura for review today, October 25th. A request was made that it be sent to the WG for review as well.

c. October 18-19 F2F

Swigart

Draft Minutes are being revised and will be available for PARC review shortly. All briefings have been uploaded to the KSN site but require renaming to ease identification. The Performance-Based Navigation Roadmap distributed at the F2F is available on the PARC Main KSN site as a PDF file.

2. Critical Decisions Working Group

Davis

Jerry Davis was tasked with drafting a letter for the recommendations to be forwarded to the FAA. Current RPAT activities were stated to be a foundation block to build on for future work. There is work currently being done in Oklahoma City towards the three steps outlined by the CDWG to get to future concepts.

3. AC 90-100A AT.

Alexander

Frank Alexander stated that he would have a draft letter to go with the AC ready to forward to Dave Nakamura for review today, October 25th. He plans to schedule briefings for various Industry organizations in coming months to educate them on the AC.

4. Benefits Interaction AT

Cramer

Comments on the ToRs are requested from the PARC by Friday, Oct. 27th. The ToRs can be viewed at: <http://tinyurl.com/y6a8w7>

5. 3rd Party Procedure Development AT

Vaughn

The FAA requested input from the PARC identifying gaps in service and funding sources by Nov. 3rd. The AT ToRs are available for review at: <http://tinyurl.com/yax7gu>

Once roles have been decided the ToRs will be revised. NBAA requested that Wally Roberts assist the effort.

6. Communication Working Group Kraft

The Roadmap is still in coordination with the FAA and will take longer than November to complete. An interim response was requested by November as to the status of the document and the schedule for completion.

7. Vertical Flight Working Group Hickok

A formal response will be provided to the FAA, identifying who will be involved in the review of .42B, and with a timeline for the work to be completed in January. Site identifications and implementations need to begin to be worked as a follow on to the .42B work.

8. RPAT Porter

Don Porter will continue to work as Chair on RPAT after his retirement Nov. 3rd.

9. Open Action Item Review Swigart

An updated Action Item list will be distributed to the PARC with all new Action Items that came out of the October 18-19 F2F Meeting.
