

PARC Telecon Summary
Nov. 22, 2006

1. Critical Schedule and Program Review.

Swigart

a. FASDAWG status.

Demosthenes

FASDAWG final recommendations and letter have been finalized and will be forwarded to Nick Sabatini.

b. RNP Criteria WG

Burns

Recommendations have been forwarded to Nick Sabatini. The ICAO Obstacle Clearance Panel has an RNP criteria group with similar views on approaching issues, but efforts between the two groups should be coordinated to eliminate duplication of effort or conflicting solutions. A request was made to track progress of the recommendations and when the PARC could expect a response from the FAA.

2. Critical Decisions Working Group

Davis

Jerry Davis tasked with drafting a letter to Nick Sabatini to go along with the recommendations. Final feedback on recommendations was received at the Orlando F2F and forwarded to Jerry. The Draft letter has been forwarded to Dave Nakamura and will be distributed to the PARC. It has been posted on the KSN site and can be viewed at: <http://tinyurl.com/ymo8a7>

3. AC 90-100A AT.

Alexander

Cover letter and revised AC have been forwarded to Nick Sabatini. This Item will be removed from future Agendas. The coordination effort with AOPA will be tracked on the Action Item list.

4. Benefits Interaction AT

Cramer

Mike Cramer was tasked with contacting potential members of the AT and to begin planning the first meeting of group. The ToRs are to be considered final at this point, and the group needs to move forward to meet their aggressive schedule.

5. 3rd Party Procedure Development AT

Speir

ToRs and Issues have been distributed to the PARC and comments have been received. A dialogue or remaining technical issues to be added to the ToRs will continue between Wally Roberts and Ken Speir.

6. Communication Working Group

Kraft

The Roadmap went through the internal FAA comment period, which was scheduled to end on Nov. 22nd. Another update was requested by the next Telecon.

7. Vertical Flight Working Group

Hickok

The schedule for completion of work and requirements have been forwarded to Nick Sabatini. It is understood by the PARC that the FAA has agreed to the proposed schedule. Steve Hickok will be contacted for the groups status.

8. Open Action Item Review

Swigart

See Action Item list.

9. Future PARC Meetings

Nakamura

January 18-19, 2007 – location TBD. Ken Speir has indicated that Delta may be able to host the January PARC F2F. An update will be provided at the next telecon.

March 28-29, 2007 – request for a change to either March 27-28 or April 4-5. The PARC will be notified of the request and asked for feedback.

June 13-14, 2007 – tentative date, please respond with potential conflicts.

August 16-17, 2007 – tentative date, please respond with potential conflicts.

October 17-18, 2007 – tentative date, please respond with potential conflicts.

NEW BUSINESS: The PARC is requested to make sure they review the Nav Evolution Roadmap. It was stated that there are significant issues in the Roadmap that should be addressed. The deadline for comments is December 22nd. The Nav Evolution Roadmap will be re-distributed to the PARC with a reminder of the deadline for comments.
