

# PARC Telecon Summary

## January 31, 2007

### 1. Critical Decisions Working Group

Davis

Taskings from the F2F include:

- Jerry Davis to review the October CDWG F2F briefing and write a White Paper outlining what should be done with the Groups remaining recommendations.
- Jerry Davis to review the “Some Ideas and Future Needs” slide from the NGATS F2F briefing to determine if there are any issues that should be worked by the CDWG.
- Jerry Davis to develop ToRs for “Guidance Materials for Various Operations” tasking.
- John McGraw and Jeff Williams to look at next steps and determine the top tasks for the PARC.
- The PARC was also tasked with going through the PBN Roadmap to check for things needing to be done by the CDWG.

Jerry Davis will have the White Paper completed by this Friday.

### 2. Human Factors Working Group

Abbott

The PARC is requested to forward Human Factors issues from their respective Working Groups and Action Teams to Kathy Abbott.

### 3. RPAT

Porter

Don Porter will be meeting with the program office Monday morning to discuss RPAT issues. The proposed meeting with Boeing has not been scheduled yet.

### 4. Benefits Interaction AT

Cramer

Tasking from the F2F for a write up of proposed work – what might be possible including background rationale, what are the tools and how are they used. A recommended design practice is what the PARC is looking for. Mike Cramer has written the Issue Paper and it will be distributed to the PARC with a deadline for comments by the Friday before the next Telecon.

### 5. Communications Working Group

Kraft

A Draft Response from the FAA on the Data Link Roadmap is being prepared. John McGraw briefing the PARC that the Response Letter between Nick Sabatini and Russ Chew is in signature cycle. It was also stated that the letter will concur with moving the recommendations forward.

### 6. 3<sup>rd</sup> Party Procedure Development AT

Speir

The FAA received the initial review back from Vicki Gordon, their contracting officer, and are finalizing the guidance document. It should be ready to go out to the AT by next week. Jeff Williams will contact Ken Speir offline to plan the Feb. meeting.

**7. Vertical Flight Working Group** **Hickok**

The draft cover letter has been distributed to the PARC for comment, and initial comments have been received. Steve Hickok will participate in the SAAAR update Action Team to explore how VF can be incorporated in RNP SAAAR.

**8. AC90-101 and 8260.52** **Cramer**

Comments on proposed updates to the two documents are still being collected by Mike Cramer. The group held an initial telecon on Monday, and a full day F2F meeting is planned for Minneapolis on Feb. 15th. Mike Cramer will propose solutions on the non-controversial issues, then send the remaining inputs out to the group and post to the website for PARC review. A plan and schedule to complete the work was asked for by Dave Nakamura. A schedule may be able to be developed after the F2F. The FAA also needs to see the recommended changes and amount of work required to determine what resources need to be assigned to the task.

**9. Open Action Item Review** **Swigart**

See Action Item list.
