

## PARC Telecon Summary September 27, 2007

### 1. .42B Remaining Issues

Hickok

WG is working on a date to hold a final meeting with the FAA. Further updates will be provided in the Action Item list until a final report on the resolution of activities can be provided.

### 2. Communications WG

Kraft

A letter from Nick Sabatini was received last week in response to the Data Link Roadmap. Steve Albers will post the response to the PARC KSN site. There is a Communications WG meeting scheduled for Nov. 8-9. An Agenda with Issues to be discussed is available, and will be posted on the Comm WG KSN site. With the ambitious Work Plan sketched out by the WG, there will be a need for the PARC to provide assistance to ensure all tasks can be completed with proper subject matter experts. PARC Members are asked to contact Tom Kraft if they would like to participate in the WG.

Action Item: Tom Kraft will provide CWG workplan to Dave Nakamura.

### 3. Benefits Interaction Action Team

Clausen

Perry Clausen will be kicking off the Team's activities shortly with the assistance of Suzanne Porter. There is no schedule as of yet for the Team's first telecon or F2F meeting.

### 4. RNP Charting Action Team

Rivas

An email was sent out Sept. 14<sup>th</sup> regarding new issues that the AT will be discussing in a future telecon. Contact Pedro Rivas for further information or if you would like to participate in the AT.

### 5. Documents Strategy Working Group

Davis

A new WG KSN site has been created for the WG. Contact Jerry Davis for participation in the WG and to be added to the site. Jerry will be preparing a plan for proposed work that he will be distributing to the group next week.

### 6. Basic RNP WG

Burns

During the 25 Sept Basic RNP WG telecon, the WG realized that there were questions about their assignment from the Aug F2F.. Specific details need to be worked out in order to proceed with the initial group's recommendations. Once the details are clear, the FAA can proceed with implementing the recommendations.

Action Item: Bruce DeCleene will contact Roger Burns offline to clarify the WG's tasking.

## 7. PARC Advising on OEP

Nakamura

Ricardo Parra was introduced as the new FAA OEP PARC representative. A PARC OEP Activity will be started to provide inputs on OEP to the FAA. It was recommended that any PARC Members interested in participating in the input Activity read the OEP Version 1 which is available on the OEP website.

## 8. Open Action Item Review

Majauskas

Action Item leads have been contacted for updates. The Action Item list will be updated and posted as updates are received.

## 9. New Business

The draft RAIM Prediction AT ToRs have been posted to the KSN site for PARC review and comment. The draft ToRs can be viewed at: <http://tinyurl.com/2s3tgj>. Comments need to be provided to Lou Volchansky by next Wednesday, Oct. 3. The short turnaround is requested for comments to minimize delays in AT activation. Even if you have no comments on the ToRs but want to participate in the group, please contact Lou ASAP.

The PARC Membership list has been updated and is available on the KSN site.

Action Item: Please forward any suggested Agenda Items for the NOV 07 PARC F2F to Steve Albers.

A request was made on a previous PARC Action regarding not inhibiting DME. Work on this Item had been completed, but a formal response was never coordinated.

Action Item: Mike Cramer was tasked with writing up the previous work for a formal recommendation to be sent to Nick Sabatini. It will be provided to the PARC for comment, first.

## 10. Future PARC Meetings

Nakamura

### **October 2-3, 2007: AC 90-100a issues and RNAV Alternates – Overland Room, AMTI**

Core issues we will be addressing include RNAV equipment substitution, and use of RNAV approaches for alternate filing. Other issues regarding RNAV approach and terminal procedures will also be on the table.

### **November 8-9, 2007: Communications WG**

**November 14-15, 2007: PARC F2F** – A conflict has arisen with the PBN training seminar in Cairo. The new proposed date is Nov 28-29. This new date will be circulated to the PARC for comment by next Tuesday.

**March 12-13, 2008: PARC F2F** – Tentative date, location TBD. Please respond to Steve Albers with any potential conflicts.
