

PARC Telecon Summary

December 17, 2009

1. RNP Procedure Process

Alexander

Comments on the RNP Procedure Process Letter Final Draft were received and are being adjudicated. A revised letter will be distributed early next week for final review.

2. RNP Charting WG

Rivas

Pedro Rivas was unable to attend the telecon but participants from the Working Group stated that the group was having difficulty resolving issues regarding profile views with RNP AR.

3. PARC Priorities Work Development AT

Shahidi

Hassan Shahidi provided a review of the background of the activity. The Action Team will take a look at the Mitre priorities paper, add details, and validate goals. Draft ToRs were sent out to the PARC for review. The Team plans to do most of its work through telecons, and to present a final draft of the priorities paper at the Feb. F2F. Hassan will revise the ToRs based on comments received.

4. Communications WG

Kraft

Around 35 attendees participated in the WG December 8-9 F2F meeting. The FANS network seems to be operating as well as if not better than Inmarsat. Cargolux and Continental Micronesia are the two airlines the WG is working with. The Next CWG F2F is planned for April 12-13 in Phoenix. A recommendation letter to the PARC recommending FANS 1/A over Iridium is expected sometime after the April meeting. Arnold Oldach and Tom Kraft would like to meet with Dave Nakamura to discuss CWG planning.

New Business

20 rooms have been blocked at the Embassy Suites hotel near the airport for the Feb. F2F. Rick Buergel has blocked these rooms at the NetJets rate, and will coordinate with Perry Clausen in regards to having PARC F2F attendees stay there for the meeting.

Future PARC Meetings

Proposed Future F2F Dates - Feb. 11-12, 2010, Dallas – Southwest Airlines HQ. June 10-11, 2010, and Oct. 14-15, 2010. Oct 2010 NBAA Annual Conference is Oct. 19-21 in Atlanta. It has been suggested that the PARC hold its Oct. F2F in conjunction with the NBAA Annual Convention once again, and an invitation to do so has been extended to the PARC by Bob Lamond.
