

13C9 Flight Predictability

Description

Improve flight predictability by reducing variances in flying time between core airports based on a 2012 baseline. FY13 Target: Quarterly reports to the ATO Officers Group and FAA Performance Subcommittee on progress and next steps.

Commentary (06/2013)

As addressed at the June 20, 2013, Performance Sub-Committee meeting, metrics under development are suspended until there is additional clarification from the executive committees on Destination 2025.
